**Candidate's Personal Statement**

If elected, I would like to serve the Institute with the following vision statement :

**Vision for the Hong Kong Institute of Architects**

- The Institute maintains a focus on the practice of architecture.
- The Institute has effective dialogue with government and other jurisdictions in society.
- The Institute embraces young and senior members, small firms and large firms.

**Vision for the Profession of Architecture**

- The profession is valued and respected.
- The profession supports young architects throughout their development.
- The profession acts as leader in environmental sustainability and heritage conservation.

**Vision for the Practice of Architecture**

- Architecture in the built environment demonstrates excellence in design.
- Architects are selected on the basis of skills and expertise.
- Architects are fairly remunerated for their work.
