

International Conference on Heritage Conservation 2013
Latest Movements in Heritage Conservation
Global Vision and Local Outlook

About the Conference

Organizers : Commissioner for Heritage's Office, Development Bureau, HKSAR Government
Architectural Conservation Programmes, Department of Architecture, The University of Hong Kong

Date : 29 – 30 November 2013

Venue : Wang Gungwu Theatre, Graduate House, The University of Hong Kong, Pokfulam, Hong Kong

Theme : Latest Movements in Heritage Conservation: Global Vision and Local Outlook

Objective : The conference provides an opportunity for international exchange of insights experience among esteemed heritage conservation professionals from both the public and private sectors. The conference will focus on heritage conservation as an integral theme, with historic urban landscape, experiences in the conservation of privately-owned historic buildings and traditional and innovative tools of urban conservation practice featured in separate sessions.

Target Our target participants are principally local professionals and academics in the heritage

Participants : conservation and related fields, such as architecture, urban planning, landscape architecture, construction, urban design, etc. We will also reach out to Mainland and overseas participants involved in the conservation of built heritage.
