INVITATION FOR SUBMISSIONS
誠邀參賽作品

The Hong Kong Institute of Planners (HKIP) Awards are given to honour the outstanding achievements of our members and related professionals in town planning each year. To further strengthen the growing interactions and collaborations with our mainland counterparts, the Institute would take this opportunity to call for their participation in the competition. Through the delivery of Awards, we wish to raise public awareness in good planning principles and practice, and to encourage pursuit of excellence amongst planners in Hong Kong and mainland China.

Young Planners Awards (YPA) are introduced to honour the active participation and contribution of our young planners to the planning profession in particular and community affairs in general, as well as to promote and foster professionalism, dedication and enthusiasm amongst themselves.

Submissions are now invited for HKIP Awards and YPA 2021.
