

**Summary of Applications for Academic Qualification Assessment (AQA)
under HKIA/ARB Professional Assessment (PA) Handbook S1.3. (2006-2022)**

The AQA is an assessment of academic qualifications of graduates from non-HKIA accredited or recognised schools before applying for the PA.

The assessment is based on individual merit as exhibited in the applicant's portfolio and relevant submissions. It should be of a standard equivalent to that of a graduate from an HKIA accredited or recognised professional architectural programme.

For interested parties, updated statistics of the applications of a particular University/College may be disclosed upon written request to HKIA (joinhkia@hkia.org.hk)

Asian countries

Country	University	No. of applications
Indonesia	Bachelor of Architecture, Trisakti University	1
Philippines	Bachelor Science in Architecture, University of San Carlos	1
