

**Summary of Applications for Academic Qualification Assessment (AQA)
under HKIA/ARB Professional Assessment (PA) Handbook Section 1.3. (2006-2023)**

The AQA is an assessment of academic qualifications of graduates from non-HKIA/ARB accredited or recognised schools before applying for the PA. The assessment is based on individual merit as exhibited in the applicant's portfolio and relevant submissions. It should be of a standard equivalent to that of a graduate from an HKIA/ARB accredited or recognised professional architectural programme.

For interested parties, updated statistics of the applications of a particular University/College may be disclosed upon written request to HKIA/ARB. (joinhkia@hkia.org.hk)
