LIGHT AND ARCHITECTURE: TOURIST-CUM-COMMUNITY HARBOURFRONT CENTRE IDEA COMPETITION

DESIGN BRIEF

1.0 BACKGROUND

The United Nations proclaimed 2015 as the International Year of Light and Light-based Technologies (IYL2015). The International Year of Light is a global initiative which will highlight to the citizens of the world the importance of light and optical technologies in their lives, for their futures, and for the development of society. It is a unique opportunity to inspire, educate, and connect on a global scale.^[1]

2.0 THEME

One of IYL2015 aims is to promote dark skies awareness. In most large cities of the world, it is no longer possible to appreciate the beauty of a natural night sky. Inefficient public illumination and excessive decorative lighting both waste energy and cause "light pollution" that hide our universe from us. However, our world-famous vibrant Hong Kong cityscape is supported by illuminated architecture.

Have you deliberately consider your architecture and neighbourhood at night? YAA2014 sets this challenge for you.

The idea competition asks for a design proposal of a tourist-cum-community harbourfront centre which promotes appreciation of both the beauty of the cityscape and the night sky and facilitates touristic and community events at the harbourfront. Participants are encouraged to explore new forms / relations of light, architecture and neighbourhood at night.

3.0 PROGRAMME

The centre may accommodate the following functions:

- A reception
- An exhibition gallery for permanent and temporary exhibits
- Multi-purpose activity room(s)
- A book / souvenir shop
- A cafe
- Seating area(s)
- Other facilities as suggested by the participant

4.0 SCHEDULE OF ACCOMMODATION

Participant proposes a schedule of accommodation to suit his/her proposal.

5.0 LOCATION

Participant proposes any appropriate location to suit his/her proposal.

6.0 BRIEFING SESSION

Design Briefing Session will be held on 6 January 2015 at HKIA premises. Participant makes his/her decision to adopt any reference material presented at the briefing session.
