Q2	I am writing to ask about the competition. As I am a year one student, I cannot use well on some software, May I use hand drawings to replace digital drawings? Also, I want to know if the panel is submitting two sizes? Thank you for your time.
	<p>There is no restriction on the production method of drawings. If hand drawings are to be used, the participant may scan the hand drawings (in A2 size landscape format) in 300dpi and submit in PDF; provide a thumbnail file; and 5 key perspectives or key images as required in Part 3.4 of the Competition Document.</p> <p>Regarding to the panel size for submission of Design Proposal, both panels are required to be in A2 size.</p>
Q3	<p>I am confused about what should I put in the submission requirement (iii) (Design Proposal in two nos. of A2 size panel in landscape format in 300dpi in PDF). The explanatory statement and images are all in (v) and (vi), so what is (iii) for?</p> <p>Also, I see that the file name of (iii) contains CRN. What does CRN stand for?</p>
