My vision : Unity for Progress

To Connect, Diversify & Success

- *Within institute, to establish close connection with members, more collaboration and engagement for collective strength together for the interest of all members and practice*
- *Outside institute, to continue collaboration with external alliances for architecture excellence and promoting Hong Kong's Architecture and Practice*
- *To General Public, to elevate the professionalism of Architect - I am an Architect*
- *To Community , to contribute and support with our professional knowledge, Architect for Peoples*
